# FALL 2023 Book Pricing Information

If a book is highlighted this means the book has not been validated or approved by the current instructor. The Pioneer Mercantile recommends not purchasing until it is no longer highlighted.

Please note that textbook information can change at any time due to faculty changes, cancelled classes, price changes, etc. Pioneer Mercantile is not responsible for information used on this listing for the purchase of texts from other sources. Those were made at the student's risk. Students purchasing materials at Pioneer Merc are protected under the Return Policy. If you are enrolled in a course that is not on this list, this may mean we haven't been supplied with textbook information from the instructor or the college has just added another section.
