D. NON DEGREE SEEKING STUDENT GUIDELINES

1. Adding and Dropping Courses

Once you have registered for any course(s), and then find you must drop a course, you must complete a drop form (academic and refund deadlines will apply and a bill may still be owed). If you need to drop ALL courses (even if it is just one course) for the term, you must complete a withdrawal form. Drop forms and withdrawal forms are available at the Student Services desk. Distance students needing to drop or withdraw should contact the Registrar at 406.874.6214. For drop/add and refund deadlines, please see the Academic Calendar on the MCC homepage at www.milesc.edu.

2. Accessing Banner and eCollege

You may access grades in Banner, MCC's online student information system, with your Student ID number. You will be provided with your Student ID number upon confirmation of your course registration. To log in to Banner, click on "Banner Self-Serve" from the MCC homepage. Your User ID is your Student ID number and your password is your 6-digit birthdate. You will also use eCollege to access course materials for both online and on campus classes. You will receive eCollege instructions in an email from the Distance Education office prior to the start of the term. To log in to eCollege, click on "MilesCC Online" from the MCC homepage at www.milesc.edu, and use your Student ID number and 6-digit birthdate to log in.

3. Transcripts and Transfer of Credits

You may access unofficial transcripts through Banner, MCC's online student information system, using your Student ID number. You may request official transcripts with a transcript request form, available at the Student Services desk or on the college website. There is a \$3 charge for official transcripts.

Miles Community college is accredited by the Northwest Commission on College and Universities (NWCCU). Most regionally accredited institutions will accept credits from other accredited colleges and universities. The acceptance of transfer credit is always determined by the receiving institution. The Montana University System (MUS) has a common course numbering system that enables students to transfer courses deemed equivalent to any Montana institution offering that course.

4. Payment of Fees

Payment of all tuition and fee costs (including tuition, mandatory fees, course fees, and distance education fees) is required. Miles Community College does not send paper bills. Please call 406.874.6159 or visit the MCC Business Office for account balance and payment information.

All students are responsible for complying with applicable campus payment policies, procedures, and methods. Miles Community College reserves the right to offset any sums owed by the student to the College against any amounts owed by the College to the student either through normal operations or inadvertent errors. Arrangements for payment of fees must be made on or before the semester fee payment deadline; please see the Academic Calendar for published fee payment and refund deadlines. No refunds will be issued for drops and withdrawals completed after the deadline (8th class day fall and spring semesters, 4th class day summer semester). Non-payment of tuition and fees may result in being turned over to collections.
