

# Miles Community College Pioneer Express Courses - Spring 2025

## eLearning and On-Campus classes - CCDHS Pathways Program

Classes begin January 15, 2025 - Registration deadline January 10, 2025

### **Important things to know about Pioneer Express and Free 2 Explore at Miles Community College:**

- Students enrolling with MCC as a dual enrollment student for the first time must submit the Pioneer Express/Dual Enrollment Application Form AND the Pioneer Express Registration Form. If students have submitted a Pioneer Express Application in a previous term, only the Pioneer Express Registration Form is needed. The Registration Form is required every term a high school student takes classes.
- A majority of online courses fill very early - many in mid-summer, well before the registration deadline. It is suggested that students register for fall classes before the end of the prior school year; students should have alternate classes in mind if needed.
- Many courses have pre-requisite requirements, which must be demonstrated through a minimum high school GPA, ACT scores, or placement test. **Students must submit an unofficial high school transcript with their application.** Course pre-requisites are listed next to the course.
- Free 2 Explore waiver applies to first two classes **TOTAL**, not two per term. Tuition is still waived after Free 2 Explore eligibility is expended, and students pay only fees for additional Pioneer Express courses.
- Whether under Free 2 Explore or Pioneer Express, **students are responsible for the cost of course fees and textbooks (including eTextbooks/embedded textbook fees)**. A textbook list, with costs, is available on the MCC Bookstore website at <https://store.milesc.edu/book-lists>
- In-Person, Online, video conferencing/remote-real time, or Hyflex course delivery available. Please see the website for distance delivery mode/section letter descriptions.
- 'L' designator on section = online course; 'H' designator on section = Hyflex course; 'V' designator on section = Video course; no letter designation = in-person
- This schedule is subject to change. Courses must have sufficient enrollment to run. High School students will not be waitlisted unless there are exceptional circumstances.
- Additional details, registration forms, and FAQs are available at [www.milesc.edu/pioneerexpress](http://www.milesc.edu/pioneerexpress).
