Please visit the Pioneer Express website (www.milesc.edu/pioneerexpress), for details on MCC's new eLearning course delivery modalities. Tuition and fee rates for Fall 2021 and Spring 2022 will not be approved until June 2021; the fee schedule will be updated on the website at that time.

Tuition, fees, and eLearning fees will be waived for the first two MCC classes taken (Free 2 Explore courses are in total, not per year or per semester). Students who have expended their Free 2 Explore eligibility will have tuition waived for all remaining courses (no limit while still enrolled in high school) but will be expected to pay regular fees, eLearning fees, and course fees, if applicable.

Most courses have pre-requisite requirements, demonstrated by high school GPA, ACT, or placement test scores.

Please see the website for distance delivery mode descriptions.
