

Miles Community College Pioneer Express Course Schedule - Fall 2023

Distance-Available Course Offerings Only

Classes begin September 6, 2023 - registration deadline September 1, 2023

Important things to know about Pioneer Express and Free 2 Explore at Miles Community College:

- Many courses have pre-requisite requirements, which must be demonstrated through a minimum high school GPA, ACT scores, or placement test. Students must submit an unofficial high school transcript with their application. Courses with no minimum GPA pre-requisites are indicated in blue.
- Free 2 Explore waiver applies to first two classes TOTAL, not two per term. Tuition is still waived after Free 2 Explore eligibility is expended, and students pay only fees for additional Pioneer Express courses.
- Whether under Free 2 Explore or Pioneer Express, students are responsible for the cost of course fees and textbooks (including eTextbooks). A textbook list, with costs, is available on the MCC Bookstore website at <https://store.milesc.edu/book-lists>
- Online, video conferencing/remote-real time, or Hyflex course delivery available. Please see the website for distance delivery mode/section letter descriptions.
- 'L' designator on section = online course; 'H' designator on section = Hyflex course; 'V' designator on section = Video course
- Some courses fill very early; students should have alternate classes in mind if needed.
- Additional details, registration forms, and FAQs are available at www.milesc.edu/pioneerexpress.
