

Miles Community College Pioneer Express Courses by Career Pathway - Fall 2024

eLearning and On-Campus classes - CCDHS Pathways Program

Classes begin August 29, 2024 - Registration deadline August 20, 2024

Important things to know about Pioneer Express and Free 2 Explore at Miles Community College:

- Students enrolling with MCC as a dual enrollment student for the first time must submit the Pioneer Express/Dual Enrollment Application Form AND the Pioneer Express Registration Form. If students have submitted a Pioneer Express Application in a previous term, only the Pioneer Express Registration Form is needed. The Registration Form is required every term a high school student takes classes.
- A majority of online courses fill very early - many in mid-summer, well before the registration deadline. It is suggested that students register for fall classes before the end of the prior school year; students should have alternate classes in mind if needed.
- Many courses have pre-requisite requirements, which must be demonstrated through a minimum high school GPA, ACT scores, or placement test. **Students must submit an unofficial high school transcript with their application.** Course pre-requisites are listed next to the course.
- Free 2 Explore waiver applies to first two classes **TOTAL**, not two per term. Tuition is still waived after Free 2 Explore eligibility is expended, and students pay only fees for additional Pioneer Express courses.
- Whether under Free 2 Explore or Pioneer Express, **students are responsible for the cost of course fees and textbooks (including eTextbooks/embedded textbook fees)**. A textbook list, with costs, is available on the MCC Bookstore website at <https://store.milesc.edu/book-lists>
- In-Person, Online, video conferencing/remote-real time, or Hyflex course delivery available. Please see the website for distance delivery mode/section letter descriptions.
- 'L' designator on section = online course; 'H' designator on section = Hyflex course; 'V' designator on section = Video course; no letter designation = in-person
- This schedule is subject to change. Courses must have sufficient enrollment to run. High School students will not be waitlisted unless there are exceptional circumstances.
- Additional details, registration forms, and FAQs are available at www.milesc.edu/pioneerexpress.

The courses on the following pages are listed by career pathway - each section includes offerings that may be a good fit for students interested in a particular field or enrolled in a specific career pathway through your school's career pathways program. Pre-requisite requirements still apply. For the full list of available Pioneer Express courses for the term, listed in alphabetical order by subject, please see the "Fall 2024 Pioneer Express Course Offerings for CCDHS" document on the MCC Pioneer Express webpage:
