

Miles Community College Pioneer Express Courses by Pathway (eLearning only) - Spring 2024

Classes begin January 17, 2024 - registration deadline January 12, 2024

Important things to know about Pioneer Express and Free 2 Explore at Miles Community College:

- *Students enrolling with MCC as a dual enrollment student for the first time must submit the Pioneer Express/Dual Enrollment Application Form AND the Pioneer Express Registration Form. If students have submitted a Pioneer Express Application in a previous term, only the Pioneer Express Registration Form is needed. The Registration Form is required every term a high school student takes classes.*
- *Many courses have pre-requisite requirements, which must be demonstrated through a minimum high school GPA, ACT scores, or placement test. **Students must submit an unofficial high school transcript with their application**. The symbols below, if found next to a course, indicate pre-requisites.*
 - ‡ = **ACT Math ≥22 or MCC math placement test**
 - ψ = **3.5 GPA or ACT English ≥ 20**
 - * = **Special course pre-requisites or other requirements; please inquire before enrolling (ex. Students who have already completed WRIT 101 may take WRIT 201)**
 - ◊ = **"open enrollment" course = 2.0 minimum GPA**
 - **Most other courses, with no associated symbol, require a minimum 3.0 cumulative GPA or ACT English ≥ 20**
- *Free 2 Explore waiver applies to first two classes TOTAL, not two per term. Tuition is still waived after Free 2 Explore eligibility is expended, and students pay only fees for additional Pioneer Express courses.*
- *Whether under Free 2 Explore or Pioneer Express, **students are responsible for the cost of course fees and textbooks (including eTextbooks/embedded textbooks)**. A textbook list, with costs, is available on the MCC Bookstore website at <https://store.milesc.edu/book-lists>*
- *Online, video conferencing/remote-real time, or Hyflex (hybrid flexible - can be taken synchronously or asynchronously) course delivery available. Please see the website for distance delivery mode/section letter descriptions.*
- *'L' designator on section = online course; 'H' designator on section = Hyflex course; 'V' designator on section = Video/Remote-real time*
- *Some courses fill very early; students should have alternate classes in mind if needed. Do not delay registration!*
- *This schedule is subject to change. Courses must have sufficient enrollment to run. Waitlisted students are not guaranteed enrollment.*
- *Additional details, registration forms, and FAQs are available at www.milesc.edu/pioneerexpress.*

The courses on the following pages are listed by career pathway - each section includes offerings that may be a good fit for students interested in a particular field or enrolled in a specific career pathway through your school's career pathways program. Pre-requisite requirements still apply. For the full list of available Pioneer Express courses for the term, listed in alphabetical order by subject, please see the "Spring 2024 Pioneer Express Course Offerings Distance Only" document on the MCC Pioneer Express webpage: <https://www.milesc.edu/pioneerexpress>
