

Miles Community College Pioneer Express Courses (eLearning only) - Spring 2024

Classes begin January 17, 2024 - registration deadline January 12, 2024

Important things to know about Pioneer Express and Free 2 Explore at Miles Community College:

- Students enrolling with MCC as a dual enrollment student for the first time must submit the Pioneer Express/Dual Enrollment Application Form AND the Pioneer Express Registration Form. If students have submitted a Pioneer Express Application in a previous term, only the Pioneer Express Registration Form is needed. The Registration Form is required every term a high school student takes classes.
- Many courses have pre-requisite requirements, which must be demonstrated through a minimum high school GPA, ACT scores, or placement test. **Students must submit an unofficial high school transcript with their application**. The symbols below, if found next to a course, indicate pre-requisites.
 - ‡ = ACT Math ≥22 or MCC math placement test
 - ψ = 3.5 GPA or ACT English ≥ 20
 - * = Special course pre-requisites or other requirements; please inquire before enrolling (ex. Students who have already completed WRIT 101 may take WRIT 201)
 - ◊ = "open enrollment" course = 2.0 minimum GPA
 - Most other courses, with no associated symbol, require a minimum 3.0 cumulative GPA or ACT English ≥ 20
- Free 2 Explore waiver applies to first two classes TOTAL, not two per term. Tuition is still waived after Free 2 Explore eligibility is expended, and students pay only fees for additional Pioneer Express courses.
- Whether under Free 2 Explore or Pioneer Express, **students are responsible for the cost of course fees and textbooks (including eTextbooks/embedded textbooks)**. A textbook list, with costs, is available on the MCC Bookstore website at <https://store.milesc.edu/book-lists>
- Online, video conferencing/remote-real time, or Hyflex (hybrid flexible - can be taken synchronously or asynchronously) course delivery available. Please see the website for distance delivery mode/section letter descriptions.
- 'L' designator on section = online course; 'H' designator on section = Hyflex course; 'V' designator on section = Video/Remote-real time
- Some courses fill very early; students should have alternate classes in mind if needed. Do not delay registration!
- This schedule is subject to change. Courses must have sufficient enrollment to run. Waitlisted students are not guaranteed enrollment.
- Additional details, registration forms, and FAQs are available at www.milesc.edu/pioneerexpress.
