

Pioneer Express Course Offerings - Summer 2023

Registration deadline: May 3, 2023 (12-week, 5-week, and 1st 8-week session) and June 1, 2023 (2nd 8-week session)

Important things to know about Pioneer Express and Free 2 Explore at Miles Community College:

- Many courses have pre-requisite requirements, which must be demonstrated through a minimum high school GPA, ACT scores, or placement test scores - students must submit an unofficial high school transcript with their application. "Open enrollment" courses with no pre-requisites are indicated in blue.
- Free 2 Explore waiver applies to first two classes TOTAL, not two per term. Tuition is still waived after Free 2 Explore eligibility is expended, and students pay only fees for additional Pioneer Express courses.
- Whether under Free 2 Explore or Pioneer Express, students are responsible for the cost of course fees and textbooks (including eTextbooks).
- Online, video conferencing/remote-real time, or Hyflex course delivery available. Please see the website for distance delivery mode/section letter descriptions.
- 'L' designator on section = online course; 'H' designator on section = Hyflex course; 'V' designator on section = Video course
- Some courses fill very early; students should have alternate classes in mind if needed.
- Additional details, registration forms, and FAQs are available at www.milesc.edu/pioneerexpress.
