

Miles Community College Pioneer Express Courses - Summer 2026

Classes begin May 11 and June 8, 2026 - Registration deadline May 4 and June 1

Important things to know about Pioneer Express and Free 2 Explore at Miles Community College:

- Students enrolling with MCC as a dual enrollment student for the first time must submit the Pioneer Express/Dual Enrollment Application Form (online or on paper) AND the Pioneer Express Registration Form (paper form only due to signature requirements). If students have submitted a Pioneer Express Application in a previous term, only the Pioneer Express Registration Form is needed. The Registration Form, with signatures, is required every term a high school student takes classes.
- Many courses have pre-requisite requirements, which must be demonstrated through a minimum high school GPA, ACT scores, or placement test. **Students must submit an unofficial high school transcript and/or ACT scores with their application.** Course pre-requisites are listed next to the course. Students may also take a math or writing placement via the MCC Learning Center.
- Free 2 Explore waiver applies to first two classes **TOTAL**, not two per term. Tuition is still waived after Free 2 Explore eligibility is expended, and students pay only campus mandatory and course fees for additional Pioneer Express courses. This is still a savings of over 50% off the regular full-price course cost.
- Graduating high school seniors are eligible for Free 2 Explore and Pioneer Express tuition waivers through the summer immediately following high school graduation.
- Whether under Free 2 Explore or Pioneer Express, **students are responsible for the cost of course fees and textbooks (including eTextbooks/embedded textbook fees).** Please note that depending on the subject, this can be an significant expense. A textbook list, with costs, is available on the MCC Bookstore website at <https://store.milesc.edu/book-lists>
- Shipping for textbooks and materials may take several business days, or longer if items are backordered during late registration periods or for high demand classes. It is recommended to order textbooks BEFORE the term begins so that students have all materials ready on the first day of class.
- In-Person, Online, video conferencing/remote-real time, or Hyflex course delivery available. Please see the website for distance delivery mode/section letter descriptions.
- 'L' designator on section = online course; 'H' designator on section = Hyflex course; 'V' designator on section = Video course; no letter designation = in-person
- This schedule is subject to change. Courses must have sufficient enrollment to run. High School students will not be waitlisted unless there are exceptional circumstances.
- Additional details, registration forms, and FAQs are available at www.milesc.edu/pioneerexpress. Students, parents/guardians and high school staff are encouraged to familiarize themselves with the Dual Enrollment Handbook and MCC campus policies.
