

Dual Enrollment Nursing Pathway

The Dual Enrollment Nursing Pathway program provides qualified high school students with a unique opportunity of support for the academic rigor of nursing school. This pathway program is available to five rising high school juniors or seniors who are seeking to attend nursing school at Miles Community College.

Why Apply for the Nursing Student Success Pathway?

- Securing one of these five spots guarantees you a place in the MCC Nursing Program.
- Your first two semesters of nursing school will include coaching and mentoring from a board-certified Nurse Coach. As you begin this new journey, having professional guidance and support will be invaluable to your success.

Eligibility Requirements

To qualify, applicants must:

- Be a rising Junior or Senior in High School.
- Plan to attend nursing school at Miles Community College.
- Have a minimum cumulative high school GPA of 3.0.

Program Requirements

Once selected, students must meet the following criteria to retain their reserved spot in the nursing program while attending MCC:

- Be on track to begin the nursing program the fall following high school graduation.
 - If you still need to complete prerequisite courses after graduation, please ask about our Nursing Success Pathway Program.
- Successfully complete all prerequisite courses with a grade of “B-” or higher.
- Maintain a minimum cumulative GPA of 3.0.
- Complete AHMS 129 Introduction to Health Care Professionals
- Meet as required by the Nurse Coach showing active participation.
 - The goal being to help promote and support well-being like self-care, stress management, and resilience building.
- A minimum score of 70% must be achieved by June 1st prior to the start of the program.
- A minimum score of 70% must be achieved by June 1st prior to the start of the program.
- Hold a current CNA license or obtain one through the MCC CNA course prior to your fall start date into the nursing program. A copy of the certificate must be provided.

- Copy of or obtain a CPR-BLS card for Health Care Providers from the American Heart Association prior to entering the Nursing Program. *(this is the only CPR that will be accepted)*

Failure to meet these requirements or to provide the necessary documentation may result in forfeiture of the reserved nursing program spot. Students who lose their place may still apply to the program through the traditional application process.

How to Apply

To request a Nursing Program application, please contact the Nursing Program Advisor at heberlek@milescc.edu or visit the website at milescc.edu/degreesprograms/Nursing.

The application process includes:

1. Applying to Miles Community College for pre-requisite completion
2. Submitting an MCC Nursing Program application
3. Submitting a cover letter, resume, and two non-family character references
4. Participating in an interview if selected as a finalist

This application process will be open at the same time as our general nursing program application period.
