Associate's Degree
(Two-year program)

EDUCATION PATHWAY

Why Education Pathway?

This two-year (63(64) credit) pathway offers course work leading to an Associate of Arts Degree for students planning to transfer to a four-year institution and pursue a Bachelor degree in Elementary or Secondary Education.

Courses are designed to provide the initial foundational program to prepare qualified teachers and related personnel for the public school system.

At the conclusion of this program students will possess the basic liberal arts educational core to:

- Explain the development of a child and the concepts of learning and behavior.
- Develop classroom rules and teach proper group behavior.
- Assist students with computer technology.
- Provide communication support for exceptional learners.
- Serve as a teacher's assistant at the elementary or secondary level.
- Identify learning challenges for students and describe the Individualized Education Plan (IEP).

EDUCATION PATHWAY

Degree Requirements

Program course requirements are presented in sequence. Part-time students and others who cannot follow this sequence should check Course Descriptions to determine pre-requisites, and should consult their advisor regarding the order in which to take courses. Students should consult the catalog of the institution to which they expect to transfer and should select appropriate core requirement and elective courses in consultation with their advisor.
