Associate's Degree
(Two-year program)

GENERAL STUDIES

Why Associate of Arts?

This two-year (60(61) credit) program is designed for students who expect to complete a degree at a four-year institution in such areas as art, education, English, history, journalism, library science, pre-law, psychology, sociology, and speech. The curriculum gives students a broad educational background in liberal arts with emphasis on humanities and social sciences.

This degree is available online.

Upon completion of this program, graduates will demonstrate:

- The ability to read, write, listen, and speak effectively;
- Knowledge and understanding of the human cultural traditions as expressed in art, music, theater, language, literature, philosophy, or religion;
- The ability to apply mathematical principles and to communicate quantitative information effectively;
- The knowledge and application of scientific principles, methodology, terminology, questioning, and reasoning;
- The ability to understand, interpret, and analyze human behaviors with the context of history and the social sciences;
- The knowledge of and the ability to use technology in today's computing environment.
