

C.A.S.

Certificate Degree
(One-year program)

GENERAL STUDIES

Why General Studies?

The Certificate of Applied Science in General Studies (31(32) credit) is designed for students who expect to complete a degree at a four-year institution.

Upon completion of this program, graduates will demonstrate:

- The ability to read, write, listen, and speak effectively;
- Knowledge and understanding of the human cultural traditions as expressed in art, music, theater, language, literature, philosophy, or religion;
- The ability to apply mathematical principles and to communicate quantitative information effectively;
- The knowledge and application of scientific principles, methodology, terminology, questioning, and reasoning;
- The ability to understand, interpret, and analyze human behaviors with the context of history and the social sciences;
- The knowledge of and the ability to use technology in today's computing environment.
