BASIC TRANSPORTATION ENTREPRENEURSHIP

Why Basic Transportation Entrepreneurship?

This one-year (28(29) credit) program is designed to develop the necessary skills for persons seeking employment in entry-level commercial driving positions. Also, for people seeking to become self-employed in the commercial freight industry. Miles Community College has not made a determination as to whether this program meets the education requirements for licensure in states other than Montana.

This program will provide you with:

- Be registered under FMCSA's Entry-Level Driver Training (ELDT) mandates;
- Attempt all DMV tests related to receiving your Commercial Driver's License (CDL)
- Develop a basic understanding in, but not limited to:
 - Basic truck operations
 - Hours of service rules and regulations
 - Close proximity driving and backing
 - Routing and trip planning
 - Compliance Safety and Accountability (CSA)
- Develop a basic understanding in:
 - Writing, and
 - Workplace Communication and/or
 - Computers and/or
 - Oxy Acetylene or Electric Arc Welding and/or
 - Business and/or
