## Miles City Lodging Accommodation Options

Miles City offers a number of lodging options—hotels, B&Bs, and RV campgrounds. Contact information for these facilities are listed below. The majority are very accessible to Miles Community College and to local dining and shopping options. We encourage you to visit the Miles City Chamber of Commerce website for more information about Miles City: <http://milescitychamber.com>.

## SOAR On-Campus Housing (Optional)

On-campus housing in Pioneer Hall is available for these select SOAR sessions:

- **July 20-21 (SOAR and ASN Program Orientation for admitted ASN students)**

Rates are \$27 per person/per night. **MCC Residence Life Staff will be on campus for assistance, but no programming or meals will be available.** Rooms are air conditioned, and linen service is included. Please visit the SOAR registration website for the Housing Application and additional details.

Pioneer Hall officially opens for move-in on September 3, so those students attending SOAR September 4 will incur no additional charge for overnight SOAR housing. SOAR Housing for that session will be limited to students who have reserved a room for the Fall 2020 semester.

Questions about on-campus housing for summer SOAR sessions? Please contact Jessica Lofland at 406.874.6480 or email [loflandj@milesc.edu](mailto:loflandj@milesc.edu).
